

# 10 Expressive Words

Dr. Wilfred Funk, the well-known dictionary publisher, was asked to select the 10 most expressive words in the English language. Here is the list:

- The most bitter word – alone.
- The most tragic – death.
- The most revered – mother.
- The most beautiful – love.
- The cruelest – revenge.
- The most peaceful – tranquil.
- The saddest – forgotten.
- The warmest – friendship.
- The coldest – no.
- The most comforting – faith.

Do you agree with Dr. Funk? It is doubtful that many of us would be of the same opinion on all 10 words, because our thinking is influenced by the variety of experiences we have had.

It would be interesting to take the time to prepare your own list. Want to try it?
