

Living in the Presence

How do we live in the presence of God? How can we be used as His instruments in the grand mission that we are called to do in Life Care, Century Park and Life Care at Home? How can we become familiar with the voice of God as we seek to do His will?

Max Lucado, one of my favorite authors, tells us how in his book, *Grace for the Moment*. He says:

- *Give God your waking thoughts. Before you face the day, face the Father. Before you step out of bed, step into His presence.*
- *Give God your waiting thoughts. Spend time with Him in silence.*
- *Give God your whispering thoughts. Imagine considering every moment as a potential time of communion with God.*
- *Give God your waning thoughts. At the end of the day, let your mind settle on Him. Conclude the day as you began it: talking to God.*

Try it. You'll like it.

And our spouses, our children, our associates, our residents and their families will marvel at the difference – the God they see in us.
