

Love, and Reactions

Love is the foundation stone of all that we do in Life Care, Century Park and Life Care at Home. We cannot be successful in our profession – caring for those entrusted to us – without love. Not only must we love our residents, but as associates we must love one another in order to serve them best.

Love, however, is more than emotion; it requires action. An anonymous writer expressed it well when he or she wrote:

*Love is the spark that kindles the fires of compassion.
Compassion is the fire that flames the candle of service.
Service is the candle that ignites the torch of hope.
Hope is the torch that lights the beacon of faith.
Faith is the beacon that reflects the power of God.
God is the power that creates the miracle of love.*

May those thoughts energize you today as you go about your responsibilities.
