

More Marquee Messages

Past Perspectives that have included creative admonitions on church marquees were well received, and drew many comments. Such postings are sermons in a nutshell. Here are some more:

- From Vickie Hadden, billing coordinator at Affinity: Hospice of Life: Give Satan an inch and he will be a ruler.
- From Margie Patterson, payroll office at Life Care Center of Athens: What in the world are you doing for heaven's sake?
- A second one Margie submitted: Sign is broke, message inside.

And some others picked up along the way:

- A clear conscience makes a soft pillow.
- Never give the devil a ride. He always wants to drive.
- Christians, keep the faith, but not from others!
- What part of *Thou Shalt Not* do you not understand?
- Life has many choices. Eternity has two. What's yours?
- Prevent truth decay. Brush up on your Bible.

As you take a vacation this summer, take note of these messages you will find along the way, and share them with us. Just be mindful of the traffic, and don't have an accident in the process.
