

More on the Marquees

It's time for some more of those messages on the marquees – those sermons in a nutshell employed by many churches. Here are some:

- Staying in bed shouting, *Oh God!* does not constitute going to church.
- God does not believe in atheists; therefore, atheists do not exist.
- Forgive your enemies; it messes with their heads.
- Free coffee. Everlasting life. Yes, membership has its privileges.
- God so loved the world that He did not send a committee.
- Read the Bible; it will scare the hell out of you.
- Artificial intelligence is no match for natural stupidity.
- There are some questions that can't be answered by Google.
- Many folks want to serve God, but only as advisors.
- People are funny; they want the front of the bus, the middle of the road, and the back of the church.
- Some minds are like concrete: thoroughly mixed up and permanently set.
- Forbidden fruits create many jams.
- If God is your co-pilot, swap seats!

Summer is a time of vacations and much traveling. As you spot creative church signs, send them in. They're meaningful, and fun!
