

Our June Journey

Life Care's corporate campuses in Cleveland are buzzing this week with new associates here for *Your Life Care Journey: Just the Beginning*. They arrived Saturday by airplane and automobile to begin five days of interaction with each other and those here who support their work.

Sunday began with breakfast and inspirational music by the Hood family, which includes Vicki Hood, our Eastern Division director of marketing. Next came a personality test administered by Meesh Kidd. Then it was off to Sunday afternoon activities: the Tennessee Aquarium and IMAX Theatre and whitewater rafting on the Ocoee River.

Today started with a patriotic opening ceremony, a presentation on Life Care's past, present and future by Beecher Hunter and Bart Walker. The balance of the day and Tuesday are devoted to educational sessions. Wednesday morning will focus on leadership presentations before the closing ceremony at lunch.

Directors of nursing attending are Liz Alexander, Liza Alvarado, Mandy Blackmon, Wendy Borton, Tammy Broome, Wendy Byerley, Mike Cahill, Tina Correia, Barb Crivellaro, Diane Fox, Clara Garcia, Dan Graziana, Candi Green, Lauren Hickman, Debbie Jackson, Mary Beth Radford, Kristen Rush, Kera Snyder, Tina Stout, Kathy Summa, and Candice Thurman.

Executive directors here are Ron Adams, Jason Haney, Sarah Helms, Breanna King, Tony Knippers, Ashley Lee, Ken O'Grady, Jeff Pittard and Janie Williams.

Regional directors of clinical services present are Jane Rost and Natalia Yakimenko. Regional vice presidents participating are Christine Nidd and Andrea Sessions.

We welcome them one and all to the Life Care family.

– Beecher Hunter
