

Our Journey Class

Life Care's newest class of leaders – representing clinical and operational disciplines – is on Life Care's Corporate Plaza in Cleveland, Tenn., today for *Your Life Care Journey: Just the Beginning*. They arrived on Saturday, and began their time together with breakfast, a time of music and inspiration with 4byGrace, a men's quartet from First Baptist Church, and an evaluation of leadership styles Sunday morning. The afternoon was devoted to a trip to the Imax Theatre and Tennessee Aquarium in Chattanooga, shopping at Hamilton Place Mall, or relaxing and visiting. Today's schedule got under way with a patriotic opening ceremony, a look at Life Care's past, present and future, and a variety of departmental presentations. Wednesday morning will focus on leadership, with a closing ceremony at noon, followed by departure for home.
