

Protected for a Purpose

It hardly seems possible to think that this many years have passed since the 20th Century ended and the 21st Century began. My, how time flies!

That pivotal point in history came amidst both celebration and concern as the world pondered its embarkation on the next 100 years and the impact that Y2K (you remember that furor, right?) might have.

As the year 1999 came to a close, great leaders of the century were remembered, including Prime Minister Winston Churchill and President Franklin D. Roosevelt. During World War II, they led Great Britain and the United States to defeat Nazism and Fascism.

Did you know that both men nearly lost their lives before the war began? In December 1931, Churchill was struck by a car as he crossed Fifth Avenue in New York City. In Miami, in December 1933, an assassin's bullet barely missed Roosevelt and killed the man standing beside him. Both leaders could have died, but they survived. Why? I believe God wanted these two men alive to lead their respective nations to victory over the enemy.

Now, let's come down to 2008. Whatever your assignment may be in Life Care, Century Park or Life Care at Home, you are not serving in that appointment by accident or coincidence. You are there because of God's divine plan for you and for the company. He has a purpose for you, and for the corporation.

We can be certain that our times are in God's hands. No matter what may happen in this world, God still rules.
