

The Lost Chapter

Someone shared the following story with me. Its author is unknown. It is entitled *The Lost Chapter in Genesis*. You may judge its truth for yourself.

Adam was walking around the Garden of Eden feeling very lonely, so God asked him, "What is wrong with you?" Adam said he didn't have anyone to talk to.

God said that He was going to make Adam a companion and that it would be a woman. "This person will gather food for you, cook for you, and when you discover clothing, she'll wash it for you. She will always agree with every decision you make. She will bear your children and never ask you to get up in the middle of the night to take care of them. She will not nag you and she will always be the first to admit she was wrong when you've had a disagreement. She will never have a headache and will freely give you love and passion whenever you need it."

Adam asked God, "What will a woman like that cost?"

God replied, "An arm and a leg."

Then Adam asked, "What can I get for a rib?"

The rest is history.
