

What It's All About

Understanding what service is all about is key to the calling of those involved in Life Care, American Lifestyles and Life Care at Home. Perhaps the best definition of service was provided by John Wesley, the founder of Methodism. He described it this way:

Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as you ever can.

And that, friends, is a wonderful challenge to live by.
