

Who Wouldn't Want a Free Car?

Just imagine this scenario: One day you're driving home from work and you see a big sign in front of a car dealership that proclaims FREE CAR!

Your curiosity gets the best of you and you pull in. You get out of your car and walk up to the closest car dealer and say, "So, what's with the sign?"

He replies, "A billionaire out West has bought our lot and wants to use it for something else, and he just wants to give away the cars to whomever wants one."

Of course, your response is, "You're kidding. What's the catch?" He assures you that there is no catch. If you want one of the new cars, all you have to do is pick one out. They will give you the title, and you can be on your way. You say, "Really?" The car dealer says, "Really!"

You go running out into the lot and find the nicest cars, fully loaded, and you sign the paperwork and go tearing out of the parking lot.

You put the roof down (yes, you grabbed a convertible), you turn the music on, and your high-tech sound system takes you to another world.

But what you don't do is grab your phone and call your family and friends. The dealer made it clear that anyone and everyone could have the same offer that was given to you, but you don't get the word out. You would be very thankful for your incredible gift, but at the same time, you would be very selfish to not let those around you know of the unbelievable offer available to them.

Well, folks, you know where this is leading.

We have been given the grace of God. A new car is nice, but we have been provided something that makes all the new cars in the world pale in comparison. We who have received God's amazing grace, offered through His son Jesus Christ, have been granted a full pardon from our sins. We are children of God, and one day heaven will be our home.

We did nothing to deserve it; we just received it. It is free to all who will call upon the Lord Jesus Christ. Yet, often many Christians do not tell a soul about it.

What makes us do that? Oh, we are thankful for what God has done in our lives, but we are also selfish and put little or no effort into communicating with those around us.

Salvation by grace through faith in Christ is free – to any and all. Let's spread the good news!

Whoever calls on the name of the Lord shall be saved (Romans 10:13 NKJV).
